Welcome to Camping les Granges, Holidays near the river

From the moment you arrive, you will be enchanted by the lush natural environment, with the cliffs forming a mineral backdrop, highlighting the beauty of the river. The rippling Dordogne invites you to stay for a while in this shady high-quality campground, where the calm of the surrounding nature mixes with the varied activities offered by this campground.

Spread across a wooded park of 5 ha, slightly overhanging the river's edge, we offer 150 tourist campsites of around 100 m², 35 of which are equipped with comfortable mobile homes at prices to suit any budget. The campsites are spacious and semi-shaded, with landscaped divides. The proximity of the river Dordogne urges you to swim, fish, and canoe, as well as walk and ride along its banks.

We will share with you our attachment and devotion to our region. We will give you plenty of ideas for places to visit, and unusual sites to discover, you won't have enough time to see and do everything during your holiday in Lot.

In a radius of 20 km (less than 20 minutes away) you can visit Rocamadour, the Gouffre de Padirac, Lacave, Carennac, Loubressac, Autoire, Castelnau, Martel, Collonges la Rouge. In under an hour, you can visit Sarlat, St Cirq Lapopie, and the prehistoric caves of Pech Merle. "The Dordogne Valley" is a Grand Site of the Midi Pyrénées. In 2012, the Dordogne basin was classed as a world biosphere reserve by UNESCO.

But did you know? In Lot, there is also: a rich wildlife offering itself to amateur photographers, a luminous sky free from pollution, perfect for looking at stars, and – after Brittany and Aveyron – it is here that the greatest number of dolmens can be found!

We look forward to helping you discover our beautiful region...
